Dear Sir / Madam

I refer to a recent private hire vehicle operator accreditation audit conducted on 27 November 2015 by officers from Roads and Maritime Services Scheme Inspection Unit. The purpose of this audit was to ensure ongoing compliance with Private Hire Vehicle Operator Accreditation conditions. These accreditation conditions are requirements that a private hire vehicle operator must meet to remain accredited and are prescribed by the Passenger Transport Regulation 2007.

I am pleased to advise that no contraventions to the Private Hire Vehicle Operator Accreditation conditions were identified during this audit.

On behalf of Roads and Maritime I thank you for your cooperation during this audit process. If you have any questions or require any further information please do not hesitate to contact us.

Yours Sincerely
